This year's programme consists of 40 individual courses, devised around technical core topics covering titles across Audit & Assurance, Financial Reporting, Charity, Legal, Practice and Tax. This year we have added Tech and Data to our offering for the first time.

Designed and delivered by leading experts, the Essentials CPD programme will provide you and your team with technical know-how and allow you to meet your CPD requirements.

All the courses are delivered by live webinar, with dedicated Q&A sessions, providing the opportunity to interact with the speaker and to discuss real-life scenarios.
